

Téléphone WF

www.telephone.wf

Informations générales

- * Aucun frais de connexion par appel.
- * Le tarif par minute est appliqué pour chaque minute partiellement consommée.
- * Le coût total est arrondi au centime le plus proche.

Prix des appels (en Euro hors taxes par minute)

La première ligne est la destination que vous recherchez.

La seconde ligne représente le coût à la minute pour les abonnés sans forfait (indiqué « coût d'usage » sur notre site).

La troisième ligne correspond au coût à la minute pour les abonnés ayant souscrit notre forfait mensuel (Le coût des communications vers les réseaux de plus de 40 destinations sont incluses dans le forfait. Les autres destinations sont facturées à prix réduits).

Nota

Nous réglons les prestations relatives aux télécommunications en US Dollars. En conséquence, les tarifs indiqués peuvent subir de très légères variations de change par rapport à l'Euro (en hausse ou en baisse). Ces variations ne concernent que le coût des communications. Les abonnements restent au tarif affiché.
